Steve has done a fantastic job in supporting our PE Lead, particularly around evaluating the use of Sport Premium and action planning. In addition, his work around curriculum provision and developing PE practice has been hugely beneficial.

A PE and Sport Premium Review looks at how the school is spending the PE and Sport Premium Review funding. The purpose of the review is to improve the school's PE and Sport Premium Strategy, so that they spend the funding on approaches that will be effective in funding additional and sustainable improvements to the provision of PE and sport, for the benefit of all pupils AND to encourage the development of healthy, active lifestyles.

Course leader Profile

With 13 years of experience as a Primary Head teacher and a degree in Human Movement Steve understands the enormous benefits an outstanding PE curriculum can bring to children's health and well-being; their self-esteem and confidence and the extra energy and vitality it brings to their academic work. Steve has coordinated PE in a number of Primary Schools as well as being Head of Boys PE in a Manchester secondary school. Steve passionately believes that in successful schools PE plays an integral role in whole school development.
