

Trafford Teaching Schools Collaborative OTP & ITP Offer – Summer 2017

The OLEVI Teaching and Learning Programmes are now well established and highly valued CPD opportunities. The local Teaching Schools, all of which are experienced, licensed providers of OTP (Outstanding Teacher Programme) and ITP (Improving Teacher Programme), have collaborated to offer a uniquely diverse and rich experience.

Each Programme will be delivered at several venues, providing a broader and deeper perspective for participants. The same Lead Facilitator will deliver each programme to provide a stable learning platform for the group.

Five of the Trafford Teaching Schools offer and advertise the Summer term 2017 programmes outlined below through their accustomed channels. Applicants can book a place with any school, who will provide their usual administrative support. Prior to each programme commencing, participants will be provided with all the necessary details collectively.
